Based on regulations in Indonesia, Regulation of the Minister of Transportation of the Republic of Indonesia Number PM 59 of 2021, Article 105 which states that "The Ship Owner or his legal guardian outside Indonesia who will recruit and place Indonesian Seafarers on board the Ship, is required to have a Collective Bargaining Agreement with the Seafarers Association before appointing a Ship Manning Agency to carry out the recruitment and placement of Crew Members.

Therefore, in connection with the above, we hereby propose negotiations in the making of a Collective Bargaining Agreement with AP2I and for that we appoint a Ship Manning Agency in Indonesia:
